

# WE ALL STAND TOGETHER

gDGBD

P.MC CARTNEY

The above is a sort of intro but the main tune is below

The main reason this is included is because its a brilliant exercise in 3/4 time with lots of "rests". Once you master the timing it is quite a pretty little tune.

Play at slow to medium .....bearing in mind it is a "waltz" timing 1-2-3.....1-2-3

Written by Paul Mc Cartney It was released in 1984 and became an instant hit.

It reached no 3 in the UK and charted in Belgium and the Netherlands .

"We All Stand Together" is from the childrens film "Rupert and the Frog Song"

McCartney sang lead with The King's Singers and the choir of St Paul's Cathedral providing the backing

It is often referred to as "The Frog Song".
