

JOSHUA

gDGBD

A Bible based spiritual with no definite origins. It was published in Jubilee Songs in the 1800's

The first recorded version was 1922. Later recordings include those by Paul Robeson and Elvis Presley (1960)

Its just a classic that has been around for over 200 years . Modern versions are plastered all over Youtube and its just asking to be played on a banjo Go for it
