Practice bar 2. Its quite nippy and occurs several times. Make sure you get it right.

"Uptown Girl" was released in 1983. Billy Joel's version sat at number three on the Billboard Hot 100 for five consecutive weeks, and reached number one in the United Kingdom for five weeks where it was the second biggest-selling single of 1983. The song was the 19th biggest-selling single of the 1980s in the United Kingdom.

It charted extensively world wide achieving 5 No1 positions

In 2001 Westlife released their own version which reached No 1 in the UK and became the sixth best selling single of 2001 and the 24th best-selling single of the decade in the UK charts.
