Excellent just 3 chords. Ignore the words at first. Just play the tune including the middle break. First bar is intro only. Play to ending bar "1" and then go back to second bar and play through to ending bar "2" (ignoring "1") Nice easy drophumbs make this one flow.

DOWE McNAUGHTON 1970

Based on Bible texts it was first recorded by Reggae group "The Melodians" in 1970. It was included in the film soundtrack of "The harder they come" when it became internationally recognised. The Boney M version in 1978 became a Platinum Disc. It is closely associated with the Rastafarian Tradition.
