

# ALONE AGAIN

G O'Sullivan

In a little while from now if im not feeling any less  
sour I promise my self to treat my self and visit a nearby  
tower and climbing to the top will throw my self off in an effort to make it clear to who  
ever what its like to be shattered left standing in the lurch at a church with people say ing  
My God thats rough she stood him up no point in us rem aini ng we might as well go home as I did on  
my own A lone a gain Naturall .....y

As a song its a bit depressing but the melody is strong. However the lyrics are more a spoken story with the music slotted in behind. The words are added here as a guide because its tricky matching words to notes as in normal songs.

Easy enough to play but do count the rests properly as they help set the metre of the song
