

YES SIR THATS MY BABY

gDGBD

G Khan W Donaldson

The traditional vocal versions were quite staccato so this sounds a bit stilted due to lots of “note thumb” fill ins, but good for practice.

Try emphasising the melody notes and add a few brush thumbs when you feel like it.

First released by Margaret Young in 1925

Numerous recorded versions including Bing Crosby(56) Ricky Nelson (60) Sinatra (66)

Recorded versions in Czech(2011) Italian (73) Swedish (1990).

There is a Yiddish version.

The song appears in at least 12 films
